## **GLOSSARY**

### **CLASSIFICATION CATEGORIES**

Community offenders under the jurisdiction of the Office of Correctional Operations are classified under a system that is driven by an offender's risk, supervision authority, and the conditions of the sentence.

### **COUNTY OF SUPERVISION**

The county in which the case is being supervised or administered.

### **CRIME TYPE**

The crime for which the offender is currently ordered to receive field service. In cases of multiple crimes, the most recent offense is generally presented.

### **PRE-RELEASE**

Total confinement in a community setting. Pre-release programs provide job application and survival skills training, transition services to offenders with minimal or no community resources, and programs for offenders conditionally accepted by work release.

### **WORK RELEASE**

A supervisory program imposed on an offender who has been conditionally released from total confinement in an institution or on a parolee or probationer in need of increased supervision. Certain felons convicted after implementation of the Sentencing Reform Act may serve their term of partial confinement in a Department of Corrections work release facility. The program allows residents to work or attend educational programs during the day. Offenders are confined in the work release facility at night.

### **SUPERVISION AUTHORITY**

The type of causes for which field service has been ordered and for which offenders are currently receiving field service.

## **GLOSSARY (continued)**

### **COMMUNITY CUSTODY**

Includes persons serving a portion of their prison sentence in the community after release from a prison (CCI or CCP supervision types), as well offenders with offense dates after 6/30/00, where controls are placed on their movements and activities by the Department of Corrections (CCJ supervision type).

### **COUNTY CONFINEMENT (CONFINES)**

Persons currently in county confinement serving either Sentencing Reform Act (SRA) jail time or sanction time for a violation.

### **MISDEMEANOR (MISDEM)**

Persons under active misdemeanor supervision.

### **MONETARY (MONEY)**

Persons who are being monitored for payment of legal financial obligations only.

### **OTHER**

Persons under active supervision from-out-of-state parole or from-out-of-state probation, insanity acquittal, or on supervised appeal, as well a person under active parole or probation supervision for crimes committed in Washington State prior to July 1, 1984.

### **SUPERVISION (SUP/PRS)**

Persons who have at least one SRA cause for which they are under active supervision and are considered court cases -- they may have multiple SRA causes or probation or parole causes as well. This excludes those being monitored for payment of legal financial obligations only.

### **TYPE OF CONTACT**

Describes the interaction between the offender and the community corrections officer or the administering office.

### **VIOLATIONS**

Offenders on field supervision have reports of violation recorded in the Offender Based Tracking System (OBTS) when they do not comply with the conditions of their supervision.
